--------------------	---------------	---------------

There are also several road connections proposed that will be determined at the next timber sale entry in those areas.

Proposed new ATV trails is app. 10.1 miles, final routes have not been determined.

Definitions:

Open Access: Road/trail is open to all state licensed or state registered motor vehicles.

Limited Open Access: Road/Trail is open to state licensed vehicles, and snowmobiles when ground is snow covered. ATV's are not permitted.

Closed Access: Non-motorized access only.

Limited Access: Access road/trail is controlled by private landowner. Many of these roads/trails will now be closed to prevent exclusive access.

Exclusive Designations: Roads/trails are open only to specified designation.
