Motion to approve made by: Phill Neiss Second by: Cheryl Treland

To approve the minutes with the addition of noting Ryan Cari as present virtually.

**Legal Counsel Update on State Model Ordinance and Wisconsin Counties Association Updates**

Ms. Roeker advised that there has been much discussion at WCA regarding the model ordinance. A significant issue about the ordinance is how to address the zoning components. Multiple state agencies would likely require mechanisms of oversight. Overlaying some form of the special use permit format without the public hearing process may be something to review.

**Review Previous Short-Term Rental Ordinance -**

A copy of the Tourist Rooming House Ordinance 6.11 was provided and offered for review. This was a proposed ordinance of a previous 2017 committee that had not been adopted. Mr. Nies advised that one area that would likely change is in the area of trying to regulate behavior. Ms. Treland read the document to the room. A copy of the attorney determination (at that time) will be shared with committee members. Legal counsel will review this document and bring it back to the October meeting for further discussion.

**Review of Current Sawyer County Licensing Ordinance as Agent of the State**

A copy of Article III Licenses and Permits Regarding Agent Status for Environmental Services was provided. Mr. McKay reviewed this current process as it is being handled now; a PowerPoint outlining the TRH approval process

was shared. The definition of ATCP 72.03(20) Hotels, Motels and TRH was provided; other applicable codes were identified in the presentation. Licensing and violation scenarios were also provided.

**Recommendation for Sewer System Sizing based on Appendix SPS 383 -**

A PowerPoint presentation entitled *Tourist Rooming Houses and Septic Systems* was shared. Mr. Wellauer reviewed the presentation with the committee, providing definitions of ATCP 72.10(5) private sewage disposal, SPS 383.43(2) design flow, and SPS 383.43(6) TRH water metering. The difference in residential sizing and commercial sizing definitions was provided. Six potential remedies for TRH occupancy were listed at the end of the presentation. A motion was made by Ms. Treland; second by Ms. Hessel to table the discussion on determining whether commercial sizing changes must be required. Motion passed 8-1 with the body present; one “nay” vote from Mr. Shuman.

**Future Agenda Items - Timeline of implementation, education, monthly update regarding WCA movement on TRH ordinance development, town level involvement, license fees**

**Adjournment – 11:44 am**

**Next Meeting:** October 19, 2023      **Time:** 10:00 am      **Location:** Board Room
